A VERSATILE AND DEPENDABLE PLAN SERVICE TO MEET YOUR HOME BUILDING NEEDS

THE RUSTICS from Standard Homes Plan Service features twenty rustic and contemporary floor plans. This selection of designs offers a broad range of home styles from country classics to warm moderns, ranging in size from 970 square feet to 2323 square feet.

Standard Homes Plan Service provides a complete home plan service that makes it possible for you to get professionally prepared quality home plans at reasonable prices, along with fast, reliable service. Information follows on options available to you through our plan service along with prices for plans and ordering information.

Order as you wish to build. Orders may be placed Monday through Friday from 8:00 to 5:00 E.S.T. Plans will be shipped promptly. Please enclose \$3.00 for postage and handling.

All designs are copyrighted 1985 by Standard Homes Plan Service, Inc., Fuquay-Varina, North Carolina. Plan prices are subject to change without notice.

PRICES FOR PLANS

First set includes complete working drawings, specification forms, contractor's estimate forms and contract forms \$45.00

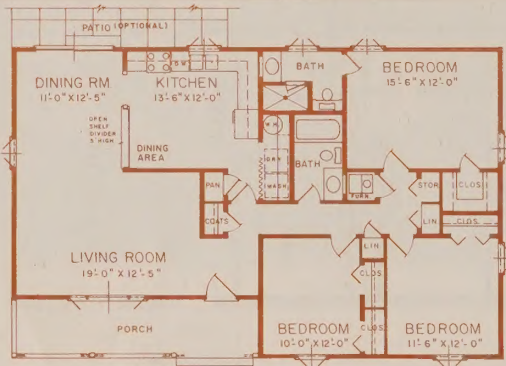

Additional sets for use in building the one house may be ordered with the first set or later. Each \$7.50

Heating layouts may be obtained, if desired, for either oil, gas or electric heat. Four copies \$10.00

Combination heating and air conditioning layouts may be obtained, if desired, by stating the type of fuel to be used for each. Four copies \$15.00

Materials lists give all the items required for the construction of the house excluding electrical, plumbing and painting items. Materials lists are not available on changed or special plans. Two copies \$10.00

Plumbing schematic. Three copies \$30.00

THE RAMSEY

RAMSEY Plan No. 2 R
Overall Dim. 50'-6"
Heated Area 1456 sq. ft. in Siding
Porch 152 sq. ft.

AVAILABLE OPTIONS

1. Standard crawl space foundation is available as shown in brick veneer on frame or siding exterior walls.
2. Basement foundation is available from stock in the material shown, but not reversed. Plans showing basement reversed are available as a special order for an additional charge.
3. Slab foundation is available from stock in the material shown.
4. Reversed plans are available from stock in the material shown.
5. Concrete block exterior wall plans are prepared on order for an additional charge of \$17.50.
6. Roof truss layouts for plans are prepared on order for an additional charge of \$17.50. Roof truss layouts are included as a stock item only on the INDIGO and INMAN at no additional charge.

EXCHANGES AND REFUNDS

Plans that are not satisfactory may be returned within ten days for a cash refund or free exchange. Plans not used for construction may be exchanged at any time for other plans for a \$5.00 exchange fee. No exchange or refund will be made unless all copies of the original order for plans, including all additional sets, are returned. On special plans, or where changes have been made to stock plans, an exchange for another stock plan will be made, but no cash refund will be made on the charges incurred for the changes or special work.

THE ROEBUCK

ROEBUCK Plan No. 2 R
Overall Dim. 53'-2"
Heated Area 1315 sq. ft. In Siding
Carport, Storage & Porch 446 sq. ft.

CHANGES TO STOCK PLANS

We will make changes to any design shown in this publication. Prices will be quoted upon receipt of detailed information as to exact changes desired.

SPECIAL PLANS

Special plans based on a customer's sketch and information are drawn to order. Price and time required for preparation will be promptly sent.

DIMENSIONS

Dimensions shown in this publication are approximate clear room dimensions. Figures shown are not to be used for firm estimates or actual construction. See our liberal refund policy for securing plans to make an accurate estimate.

LOAN REQUIREMENTS

Plans are drawn to meet current loan requirements, but should any plan purchased from this firm be rejected because it fails to meet loan requirements, we will make the corrections required without charge.
